Research [2]

The well-known metamorphosis in the field of information and communication technologies encourages the INPT to develop and promote research and development activities through all means including:

- The establishment of a research laboratory for all activities related to research in the fields of TIC
- Improving the quality of teaching
- Involvement of faculty members in R & D projects
- Establishing national and international partnerships.

This platform allows the INPT to occupy a strategic position regarding the research domain and will generate synergies in the longer term contributing to the economic and social development of the country.
