International [2]

The INPT is an associate member of the GEC (French GrandesEcoles Conference) and is firmly established in the field of competition, both nationally and internationally.

In order to broaden the horizons of its students and teachers, INPT places openness at the heart of its strategy.

The main objective of the school's strategy for international partnerships is to open the doors of the international world to its students and its faculty by offering them maximum opportunities for internships and training through the development of partnerships and cooperation agreements with a multitude of partner schools and universities around the world.

Today, the INPT is redoubling its efforts to develop its partnership agreements to new horizons in order to allow its students and teachers to come to terms with a different culture and to build new networks.
